

2027 TCS Double London Marathon Harmeny's charity place Terms and Conditions

The TCS Double London Marathon is one of Harmeny's most important fundraising events. We need all our charity place runners to honour their pledge and raise a minimum of £2000 before 24 May 2027. These terms and conditions are to ensure that we can support our runners in the best possible way, while raising as much money as possible to provide young people impacted by early years' trauma with the spaces and opportunities they need to thrive.

The application process:

All applications are for a charity place on the one-off Saturday London Marathon event taking place on Saturday 24 April 2027 only.

These places will be available to the named applicant only and are non-transferable.

The minimum age for entries is 18 years on race day.

Once you have applied for a Harmeny charity place your application will be assessed by the Harmeny team. We aim to inform all participants of the outcome of their application by Thursday 6 August 2026 (or within a month of submitting your application, if you apply after 31 July). We are likely to receive far more applications than we have available places, so unfortunately not everyone who applies will be given a place.

Once you have been offered a place, agreed to the fundraising pledge, and paid your entry fee, Harmeny will reserve a charity place for you.

Entry fee:

The £100 entry fee helps to cover Harmeny's costs and is therefore non-refundable under any circumstances, this includes but is not limited to dropping out due to injury and a change in work or social commitments.

Registering for your place:

Harmeny will send you an email from London Marathon asking you to complete your registration to run with an Harmeny charity place. You must complete this within two weeks of receiving the email.

We will contact you at least once via email and phone about completing your registration. If you do not complete it, you will not have a place in the London Marathon, and we reserve the right to offer your spot to another charity place applicant.

How we will support you:

- We will send you regular support emails to help with your training, fundraising and useful tips for maximising your experience on race day.
- We will provide you with a personalised Harmeny running vest or t-shirt to wear on race day.
- We will provide opportunities for you to connect with other runners in the Harmeny London Marathon team in the lead up to the run (if you wish to do so).
- We will provide support on the day of the run (details to be confirmed)

Fundraising pledge:

You agree to raise a minimum of £2,000 for Harmeny. We require you to raise at least:

- £500 by 31 January 2027.
- £1000 by 15 April 2027.

- £2000 by 24 May 2027.

In exceptional circumstances, Harmeny may accept runners after the stated deadlines. In such cases, revised fundraising targets and timelines will be agreed on an individual basis.

As an Harmeny charity runner, you will agree that 100% of the money raised through your participation in the event will come to Harmeny and will not be split with any other charity.

If you fail to reach your £2000 target by 24 May 2027, we are asked to inform the TCS London Marathon company, who will keep your details on file. This will impact your chances of running the TCS London Marathon in the future.

If you have any concerns regarding reaching your fundraising target, please contact us, we are here to support you.

If you do not reach these targets, and/or do not respond to communications from Harmeny then we have the right to revoke your place. Please ensure that fundraising@harmeny.org.uk is saved as a safe sender in your inbox to avoid our communications ending up in spam filters.

Online fundraising pages:

Once registered as a charity place runner for Harmeny Enthuse, the official partner of the TCS Double London Marathon, will automatically set up an online fundraising page for you which you can personalise. Please utilise this page to maximise your fundraising.

Funds raised offline:

You can transfer funds to Harmeny either via your Enthuse fundraising page, BACS transfer or cheque. All funds should be submitted by 24 May 2027. More details about transferring funds will be provided to all charity place runners.

Existing donations to Harmeny:

Any donations you already make to Harmeny cannot be included in your fundraising total.

Gift Aid:

We cannot include the amount raised through Gift Aid in your fundraising total. However, please encourage your sponsors to Gift Aid their donations where possible – this can add an extra 25p for every £1 donated, at no extra cost to them.

The Running Show:

You are required to collect your race pack from the TCS Double London Marathon Running Show in the week before the race. Please see the [race organiser's website for details](#).

Photography & videography:

Images, film, and interview material taken during the TCS Double London Marathon of all Harmeny participants may be used by Harmeny to celebrate the Harmeny London Marathon team's efforts and promote Harmeny's sponsored challenge events in the future.

Should you not wish your image to be used in this way, please inform us by Monday 19 April 2027.

Injury and deferrals:

If you are injured and unable to take part in the event, please let Harmeny know as soon as possible. **Due to the one-off nature of the Saturday event we are not able to defer your place.** If you tell us before the start

of February we can offer the place to another applicant. After this, Harmeny will lose the place and the fundraising income.
